EXPERIENCE

Pool Stack Technologies PVT. LTD. – Gwalior, Madhya Pradesh
React Developer Intern   *August 2024 – Present*

Spearheaded frontend development for two major projects—a full-featured **eCommerce** platform and a **travel booking web app**—delivering intuitive UIs and optimizing core functionalities.

- Implemented cart management and real-time pricing, optimizing interactivity and boosting user satisfaction.
- Collaborated with backend teams to **integrate Razorpay** for secure payment processing, **handling API calls** to ensure seamless transactions.
- Developed and optimized the UI for an eCommerce platform, enhancing user experience and device responsiveness through **ReactJS** and **Tailwind CSS.**

Microsoft Learn Student Ambassador – Remote
Beta MLSA   *Dec 2023 – Present*

- Spearheaded Azure-focused Cloud Skills Challenges, resulting in 100+ students mastering cloud computing fundamentals.
- Led workshops on **Open Source**, **JavaScript**, and **cloud fundamentals**, empowering students to build foundational skills.
- **Strengthened leadership skills** by managing event logistics, coordinating with participants, and delivering engaging presentations to large audiences.

PROJECTS

Travel Tour – Book Easy Trips   https://traveltour-i4r3.onrender.com/
Web Application for Travel Lovers

Tech Stack**: MERN (MongoDB, Express.js, React.js, Node.js), Tailwind CSS, Razorpay Integration**

- Engineered a comprehensive travel booking platform with features like destination exploration, package selection, and booking for accommodations and activities.
- Built a dynamic, user-friendly interface in React, enhancing engagement with a seamless browsing and booking experience.

ECOM – Full Stack eCommerce Website
Comprehensive eCommerce Platform

Tech Stack**: MERN (MongoDB, Express.js, React.js, Node.js), Tailwind CSS, Razorpay Integration**

- Built a full-featured eCommerce website with product listing, cart functionality, and secure payment integration using **Razorpay**.Implemented dynamic cart functionality, including quantity updates, item removal, and total price calculation with tax and discounts.
- Developed a responsive UI using **Tailwind CSS**, ensuring a seamless shopping experience on all device Integrated real-time payment gateway, allowing users to make secure transactions, and built order management features for admin users.

EDUCATION

Rustamji Institute of Technology – Tekanpur, M.P.   *October 2022 - Present*
Bachelor of Engineering, Computer Science;
SGPA: 8.08 | CGPA:7.7
