EXPERIENCE

Pool Stack Technologies PVT. LTD. – Gwalior, Madhya Pradesh

React Developer Intern

August 2024 – October 2024

- **Spearheaded front-end development** for two major products: a **travel booking platform** and a **full-featured eCommerce website**.
- **Implemented cart management** and **real-time pricing**, **optimizing interactivity** and boosting user satisfaction.
- **Integrated Razorpay** for **secure payment handling** via backend API coordination.
- **Developed responsive, production-grade UI** using **ReactJS** and **Tailwind CSS**.

Microsoft Learn Student Ambassador – Remote

Beta MLSA

Dec 2023 – Present

- **Organized Azure-based Cloud Skills Challenges**, helping **100+ students** learn foundational **cloud computing**.
- Conducted **open source** and **JavaScript workshops** for beginners, improving tech literacy on campus.
- **Gained leadership experience** through **public speaking and event planning**.

PROJECTS

Travel Tour – Book Easy Trips

Web Application for Travel Lovers

<https://traveltour-i4r3.onrender.com/>

Tech Stack: **MERN (MongoDB, Express.js, React.js, Node.js)**, **Tailwind CSS**, **Razorpay Integration**

- Engineered a comprehensive travel booking platform with features like destination exploration, package selection, and booking for accommodations and activities.
- Built a dynamic, user-friendly interface in React, enhancing engagement with a seamless browsing and booking experience.

ECOM – Full Stack eCommerce Website

Comprehensive eCommerce Platform

Tech Stack: **MERN (MongoDB, Express.js, React.js, Node.js)**, **Tailwind CSS**, **Razorpay Integration**

- Built a full-featured eCommerce website with product listing, cart functionality, and secure payment integration using **Razorpay**. Implemented dynamic cart functionality, including quantity updates, item removal, and total price calculation with tax and discounts.
- Developed a responsive UI using **Tailwind CSS**, ensuring a seamless shopping experience on all device. Integrated real-time payment gateway, allowing users to make secure transactions, and built order management features for admin users.

OPEN SOURCE & ACHIEVEMENTS

- **Contributed** to open source projects like Accord Project focused on accessibility, responsiveness, and UI enhancements using **TypeScript**.
- **HackSquad 2023**: Team lead; ranked in **top 5% of contributors** out of 1000+ global squads.
- **4-star C++** on HackerRank.
- **Personal Projects**: **SoloConnect**, **Campus-360 (Building)**

EDUCATION
